Transfer Form

2023 Water Year (October 2022 - September 2023)

Each landowner within the ETGSA that desires to transfer its allocation shall complete this form to document the transaction. All transfers must be consistent with the ETGSA’s Rules and Regulations. If you have any questions or require assistance in filling out your form, please contact the ETGSA Administration Staff at **(559) 471-7099** or email support@easterntulegsa.com.

When complete, please submit this form to the ETGSA in person or by mail to the following address: **324 S. Santa Fe Visalia, CA 93292**

All transfers will be processed upon approval.

Water Transfer Details

Parcel Number <i>(Only applicable if Surface Water is being transferred)</i>	Water Type Being Transferred <i>(Please see provided legend)</i>	Amount of Water Being Transferred <i>(acre/ft)</i>	Credit Expiration Date <i>(e.g. 2024)</i>

The available water buckets to Transfer in the ETGSA include:

1. Native Sustainable Yield
2. Landowner Ground Water Credits
3. Surface Water Credits (Note: Surface Water Credits may be subject to additional Transfer review by Surface Water rights manager)
4. Tier 1 Transitional Water

Signatures of Agreement

Each party acknowledges that the ETGSA Rules and Regulations identify the water available for Transfer. Note that Total Precipitation is not available to Transfer to another landowner in the year of allocation (unless otherwise stated in the ETGSA Rules and Regulations). Total Precipitation allocations from previous years are transferable and are identified as a Landowner Groundwater Credit.
