REQUEST TO TRANSFER WATER OUTSIDE GSA

(2024 - 2025 Water Year)

Landowner listed below hereby requests to transfer certain waters currently available for transfer in Landowner's BasinSafe account. Landowner hereby agrees that the transfer, described below, shall conform to ETGSA's Rules and Regulations in all respects.

GSA-to-GSA Transfer Fee: $100.00

If you have any questions or require assistance in filling out your form, please contact the ETGSA Administration Staff at (559) 471-7099 or email support@easterntulegsa.com. When complete, please submit this form and payment to the ETGSA in person or by mail to the following address:

324 S. Santa Fe Street, Visalia, CA 93292

Water Allocation Transfer

The available water buckets to Transfer outside the ETGSA include:

1. Native Sustainable Yield
2. Landowner Ground Water Credits
3. Surface Water Banked Credits (Notes: Surface Water Banked Credits will be subject to approval by Surface Water Agency Manager)

Each party acknowledges that the ETGSA Rules and Regulations identify the water available for Transfer. Note that Total Precipitation and Tier 1 Transitional Credits are not available to Transfer to another GSA.

*Please Note: Water Transfers between accounts and/or GSA's will occur after the prior month accounting has been reconciled. There is a lag to reconcile the prior month water accounting of approximately 30 days. (Example: If Transaction occurs on June 1, the account will note the transfer but not finalize the transfer until the May ET data has been reconciled, estimated to around July 1)
